

## Online workshops on Nanotechnology for clean water

Programme: session (13 December, 11:00 – 14:00 GMT)

<b>Time (GMT)</b>	<b>Event</b>	<b>Speaker</b>
11:00 – 11:15	System Check, welcome participants, about ICPC-NanoNet	Lesley Tobin
11.15 – 11:30	About the Theme	Prof. T. Pradeep
11.30 - 12.00	Topic: Nanomaterials for clean and affordable water	Prof. T. Pradeep
12.00 - 12.15	Discussion	.....
12.15 - 12.45	Topic: Photocatalysis for clean water	Prof. Ligy Philip
12.45 - 13.00	Discussion	.....
13.00 - 13.30	Topic: Groundwater contamination in India: A case study on fluoride problem of Kerala state	Prof. E. Shaji
13.30 – 13.45	Discussion	.....
13.45 – 14.00	Conclusion	Prof. T. Pradeep

### About the speakers

Prof. T. Pradeep, Department of Chemistry, Indian Institute of Technology Madras, Chennai, INDIA.  
<http://www.iitm.ac.in/>  
<http://www.dstuns.iitm.ac.in/pradeep-research-group.php>

Prof. Ligy Philip, Department of Civil Engineering, Indian Institute of Technology Madras, Chennai, INDIA.
